

FeurerWorks Contracting

1 Service

Are you planning a challenging project? Do you face a huge list of work items, but unfortunately you are short on skilled manpower to assign them to?

FeurerWorks can support you in multiple areas of your project. We can manage and realize the whole project for you or we simply take over some tasks. Together we will find a suitable support for your needs in software development.

2 Expertise

Project Management

Java (Swing, SWT, Servlet, EJB,...)

.NET (C#, WinForms, ADO.net, ASP.net,...)

XML (XML Schema, XSLT, XSL-FO,...)

Web ((D)HTML, JavaScript, CSS,...)
